Barnsley People's Petition Democracy in Barnsley is broken. Do you expect your councillors to have a voice within the Council Chamber? Well, you would be wrong! Barnsley Metropolitan Borough Council is run using the so-called 'Strong-LeaderModel' which means that many important decisions are taken by just 8 councillors (the Council Leader and Cabinet). The other 55 elected councillors, of all political parties, and representing a huge percentage electorate, have little input into making decisions. They may not even be able to have a say or a vote on issues affecting us. Is this democratic

The Localism Act 2011 gives voters the power to make the Council hold a referendum to decide if it should be run using a more democratic, committee system.

"We, the undersigned, being local government electors for the area of Barnsley Metropolitan Council, to whom this petition is addressed, seek a referendum on whether the council should be run in a different way by one or more committees made up of elected councillors."
